The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**JOB ORDER CONTRACTS
FOR MAINTENANCE, REPAIR, AND REFURBISHMENT
OF COUNTY INFRASTRUCTURE AND FACILITIES
ADOPT, ADVERTISE, AND AWARD VARIOUS SPECIFICATIONS
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

This action is to adopt the Job Order Contract Unit Price Book and Specifications; approve for advertisement bids to be received; and award agreements to the Lowest Responsive and Responsible Bidders for 10 separate Job Order Contracts.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the adoption of the Job Order Contract Unit Price Book and Specifications, advertisement for bids and award of Job Order Contracts are exempt from the California Environmental Quality Act, for the reasons stated in this letter and in the record of the action.
2. Adopt the November 2010 Job Order Contracts Unit Price Book and Specifications.
3. Instruct the Executive Officer of the Board to advertise for bids to be received for ten separate Job Order Contracts in accordance with the Instruction Sheet for Publishing Legal Advertisements (Attachment I).
4. Authorize the Director of ISD or his designee to prepare, award and execute six general and four specialty (two electrical and two mechanical) Job Order Contract agreements to provide services to County facilities such as as-needed repair, deferred maintenance, and refurbishments. The agreements are for a one-year term effective on contract execution

and are not-to-exceed \$3.5 million each to the lowest responsive and responsible bidders. The aggregate not-to-exceed amount for the ten agreements is \$35 million.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended action will find that adoption of the Job Order Contract Unit Price Book and Specifications, advertisement for bids and award of Job Order Contracts are exempt from the California Environmental Quality Act (CEQA) and will augment the Internal Services Department's (ISD) ability to effectively and efficiently maintain and repair (including emergency repairs) County infrastructure and facilities.

The Job Order Contract (JOC) is a flexible, cost-effective unit price contracting method to accomplish maintenance, repair, and refurbishment of County infrastructure and facilities without extensive plans and specifications. JOCs are annual contracts that may be awarded for repair, remodeling, refurbishment, or other repetitive work, but not for new construction. This process reduces administrative requirements and lowers direct construction costs while meeting all federal, State, and County procurement requirements.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan Goal No. 1 for Operational Effectiveness by providing timely facilities services, effectively managing County resources and investing in public infrastructure.

FISCAL IMPACT/FINANCING

Maintenance, repair, and refurbishment work will be funded through the appropriate maintenance, capital, refurbishment, or infrastructure project budgets. ISD's Fiscal year (FY) 2010-11 Adopted Budget includes \$35 million for JOC agreement expenditures. ISD will only incur JOC expenditures to the extent that they are offset through County department billings and within available appropriation. For capital projects, no work will be assigned to these JOCs without authorization from the Chief Executive Office.

Public Contract Code Section 20128.5 allows individual JOCs to have a one-year term and a maximum value of \$4.3 million. A 1997 amendment to the Public Contract Code allows annualized increases in the maximum contract value, based on the California Consumer Price Index. However, given ISD's available budget in FY 2010-11 for JOC agreement expenditures, each of the 10 JOCs will be in a not-to-exceed amount of \$3.5 million. There are no minimum obligations on these contracts.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Board approval of the recommended actions is required by Public Contract Code Sections 20124 and 20125.

The terms and conditions of the recommended contracts will be approved as to form by County Counsel prior to execution and will contain the Board's required contract provisions including those pertaining to consideration of qualified County employees targeted for layoffs as well as qualified GAIN/GROW participants for employment openings, compliance with the Jury Service Ordinance, Safely Surrendered Baby Law, the Child Support program, Defaulted Tax Program Ordinance, and the Local Worker Program. The JOC Agreements are not Proposition "A" contracts and therefore are not subject to the County's Living Wage Program.

Data regarding the proposers' minority participation will be on file with ISD. The contractors will be selected upon final analysis and consideration without regard to race, creed, gender, or color.

The General Conditions and November 2010 Unit Price Book and Specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with ISD.

ENVIRONMENTAL DOCUMENTATION

The recommended action, to adopt the Job Order Contract Unit Price Book and Specifications, advertise for bids and award of Job Order Contracts are categorically exempt from CEQA. JOC projects provide facilities repairs, maintenance and refurbishment services requested by County departments, which are generally categorically exempt under Section 15301, Class 1, of the State CEQA Guidelines. ISD will file all required Notices of Exemption for each categorically exempt project as required by CEQA. Your Board will be asked to make environmental determinations for any projects that are not categorically exempt.

CONTRACTING PROCESS

The Executive Officer of the Board will advertise the invitation for bids in various publications throughout the County of Los Angeles. Additionally, ISD will advertise the invitation for bids on the Green Sheet publication and post the bids on the County's "Doing Business with Us" web site.

The recommended contracts will be solicited on an open-competitive basis and in accordance with applicable federal, State, and County requirements. The County will award contracts to the lowest responsive and responsible bidder pursuant to the State Public Contract Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

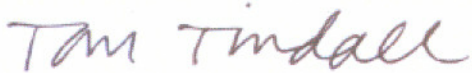

The use of these contracts will expedite the completion of maintenance, repair, and refurbishment of County infrastructure and facilities work managed by ISD. Minor impacts to tenant departments may occur while maintenance, repair, and refurbishment of County infrastructure and facilities work is underway.

There is no employee impact. JOCs are intended to augment, but not replace the County workforce, and to ensure our ability to respond to emergent requirements.

CONCLUSION

Upon Board approval, please return one adopted stamped copy of this letter to ISD.

Respectfully submitted,

TOM TINDALL
Director
